CIMA P2 Advanced Management Accounting Motilal Banarsidass Publishes
 The book has been designed as per the Syllabus prescribed by the University of Madras for Paper on 'Financial Accounting' effective 2020-21 for B.Com. Degree First and Second Semesters Core Course; B.Com. (A & F), B.Com. (CS), B.Com. (BM), B.Com. (MM), B.Com. (CA) & B.Com. (ISM)
International Books in Print Routledge
 This book is designed to cater to the needs of 5th and 6th semester B. Com students of Cost Accounting and Advanced Cost Accounting disciplines of University of Madras and other Universities in Tamil Nadu. The chapters in the book have been presented in a simplified way so that even self-learners can easily understand the

concepts. Each chapter is supported with numerous illustrations from previous years' question papers and chapter-end exercises. Additionally, several exercise problems have been listed with sufficient hints and answers. This will enable the students to work out the problems independently and face the examinations confidently.

Cost and Management Accounting-I' is designed in accordance with the latest CBCS syllabus as prescribed by the University of Calcutta and other major universities of Eastern India. It is primarily intended for Semester II of B.Com curriculum, besides being equally useful for the students of professional courses.

The book presents the core concepts of accounting in a lucid and easy-to-understand language. It provides a right blend of theory and application to lay a solid foundation for the advanced aspects of Cost and Management Accounting, not only for higher studies but also for corporate requirements. Emphasis on the explanation of Cost Accounting Standards and guidelines with comprehensive examples. Special focus on topics related to Employee Cost and Incentive Systems (Labour Costs), Accounting for Materials and Accounting for Overheads. Chapter-wise segregation of questions from last 10 years' (2008-17) question papers of the University of Calcutta—for general and honours courses.

DILSINZ McGraw-Hill Education

Financial Management Sultan Chand & Sons

The derivative practitioner's expert guide to IFRS 9 application Accounting for Derivatives explains the likely accounting implications of a proposed transaction on derivatives strategy, in alignment with the IFRS 9 standards. Written by a Big Four advisor, this book shares the author's insights from working with companies to minimise the earnings volatility impact of hedging with derivatives. This second edition includes new chapters on hedging inflation risk and stock options, with new cases on special hedging situations including hedging components of commodity risk. This new edition also covers the accounting treatment of special derivatives situations, such as raising financing through commodity-linked loans, derivatives on own shares and convertible bonds. Cases are used extensively throughout the book, simulating a specific hedging strategy from its inception to maturity following a common pattern. Coverage includes instruments such as forwards, swaps, cross-currency swaps, and combinations of standard options, plus more complex derivatives like knock-in forwards, KIKO forwards, range accruals, and swaps in arrears. Under IFRS, derivatives that do not qualify for hedge accounting may significantly increase earnings volatility. Compliant application of hedge accounting requires expertise across both the standards and markets, with an appropriate balance between derivatives expertise and accounting knowledge. This book helps bridge the divide, providing comprehensive IFRS coverage from a practical perspective. Become familiar with the most common hedging instruments from an IFRS 9 perspective Examine FX risk and hedging of dividends, earnings, and net assets of foreign subsidiaries Learn new standards surrounding the hedge of commodities, equity, inflation, and foreign and domestic liabilities Challenge the qualification for hedge accounting as the ultimate objective IFRS 9 is set to replace IAS 39, and many practitioners will need to adjust their accounting policies and hedging strategies to conform to the new standard. Accounting for Derivatives is the only book to cover IFRS 9 specifically for the derivatives practitioner, with expert guidance and practical advice.

Cost Accounting John Wiley & Sons Merchant activity across Europe, America and China during the long eighteenth century is explored in this collection of essays. Using a unique data set from accounts and correspondence, contributors are able to show the fragmented nature of merchant activity and the importance of trust-based social

and cultural networks.

Advanced Hedging under IFRS 9 Motilal Banarsidass Publishe

This text is highly respected for its authoritative coverage, excellent examples, and extensive assignment options. It reaches beyond cost accounting procedures to consider concepts, analyses, and management.

Management and Labour Studies Vikas Publishing House

For B.Com.(P&Hons.), M.Com., MBA of all Indian Universities and Professional Courses Like ICWA & ICAI .The main aim of this book is to facilitate easy understanding of the matter at one reading without any tediousness in grasping the theories and illustrations . Almost all the illustrations have been added at proper places.

Presentation of Financial Statements Tata McGraw-Hill Education

Financial Accounting for BBA has been written to meet the requirements of undergraduate students, particularly at the BBA level. This book covers the syllabi of major universities across the country, providing basic knowledge of accounting principles and practices in a systematic manner. The topics have been dealt with in a lucid manner to enable better understanding, especially for those students who do not have an accounting background. The text is examination-oriented and is supplemented with relevant solved illustrations for all the topics.

Merchants and Profit in the Age of Commerce, 1680-1830 Corporate Accounting

This book is designed in accordance with the syllabus of University of Madras for Corporate Accounting, taught in B. Com, Semester-III. Management Science McGraw-Hill Education

The 14th Revised Edition of the book "Corporate Accounting" includes the provision of the Companies Act, 2013, SEBI rules and regulations and Accounting Standards, wherever applicable. The whole book has been updated and corrections made wherever required. Theory and accounting treatment has been revised as per Accounting Standards - 4 (Revised) and Companies (Amendment) Act, 2019. Each aspect of a chapter has been discussed in detail in order to meet the requirements of the syllabus prescribed by different universities and professional

institutes. Salient Features of the Book The following features are worth noting in the present text: • The illustrations and assignment material has been made to conform to the requirements of Schedule III of the Companies Act, 2013. The relevant problems/ solutions has also been revised. • The revised revision of Paragraph 14 of Accounting Standards — 4 concerning Financial Statements regarding Proposed final dividend has been incorporated at relevant pages and the illustrations amended accordingly. • The relevant provisions of Ind AS — 7: Statements of Cash Flows dealing with Bank Overdraft and Proposed Dividend have also been taken care of in this book. • In the chapter of Redemption of Debentures, the treatment of interest on Debenture Redemption Funds Investments or Profit (or Loss) on the sale of DRFI have been also summarised in the chapter. • All chapters have been revised and updated. Problem of each chapter have been suitably graded and edited to include questions of topical interest. We are confident that the book in its revised form

will be more useful for B.Com (Pass and Hons.), M.Com, M.B.A., C.A., I.P.C.E, C.A.(Final), I.C.M.A. (Stage II) and Company Secretaries (Executive Programme) Examinations. *Women, Education, And Family Structure In India* S. Chand Publishing Any Book On Solved Problems Would Be Welcome By The Students As They Dread The Unsolved Problems The Most. Problems And Solutions In Advanced Accountancy-Vol. I And II Is The Result Of Realization Of The Same Fact. However, This Book Will Serve Its Purpose The Best If Before Referring To It The Students Have Attempted To Solve The Questions On Their Own. The Book Has Been Designed Specially To Serve As A Complementary Set To The Textbook Advanced Accountancy-Vol. I And II, Authored By The Same Team As Dr S N Maheshwari And Dr S K Maheshwari. It Contains Detailed Solutions To All The Practical Problems Given At The End Of Each Chapter In Advanced Accountancy, As Also Solutions To The Problems Set At The Recent

University And Professional Examinations. Special Feature Of The Book Is That The Problems Have Been Properly Graded. Recent Developments in Financial Economics Vikas Publishing House Five decades of independence have produced dramatic increases in womens' educational achievements in India; but education for girls beyond a certain level is still perceived as socially risky. Based on ethnographic data and historical documents, this book explores the origins of that paradox. Contributors probe the complex relationships between traditional Indian social institutions the joint family, arranged marriage, dowry, and purdah, or sexual segregation and girls schooling. They find that a patrifocal family structure and ideology are often at the root of different family approaches to educating sons and daughters, and that concern for marriageability still plays a central role in womens' educational choices and outcomes. **Corporate Accounting** Sultan Chand & Sons BPP Learning Media
