Desktop Rugby brings the excitement of rugby right to your fingertips. Included is everything you need to play the game--a goal, ball, tee, flag, and mini referee figurine to call that foul. Kit also includes a 32-page book on the history and rules of the game.

Detailing for Acoustics Berkley

This book constitutes the refereed proceedings of the 12th International Conference on Reachability Problems, RP 2018, held in Marseille, France, in September 2018. The 11 full papers presented were carefully reviewed and selected from 21 submissions. The papers cover topics such as reachability for infinite state systems; rewriting systems; reachability analysis in counter/timed/cellular/communicating automata; Petri nets; computational aspects of semigroups, groups, and rings; reachability in dynamical and hybrid systems; frontiers between decidable and undecidable reachability problems; complexity and decidability aspects; predictability in iterative maps, and new computational paradigms.

Rebecca Donnelly's How Slippery Is a Banana Peel? is a picture book companion to Cats Are a Liquid celebrating the science and the slipperiness of banana peels—a perfect introduction to friction, featuring illustrations by Misa Saburi. Volcanoes roar, But banana peels race. Rockets soar, Like bananas through space. A group of kid-experimenters at a science fair explore the slipperiness of banana peels—a perfect introduction to scientific concepts! It's funny and STEM-inspired, with back matter on friction and a kitchen science experiment. These playful and mischievous banana peels will capture the imagination of readers. *Weedopedia* CRC Press

Following the Pulitzer prize-winning collection Stag's Leap, Sharon Olds gives us a stunning book of odes. Opening with the powerful and tender "Ode to the Hymen," Olds addresses and embodies, in this age-old poetic form, many aspects of love and gender and sexual politics in a collection that is centered on the body and its structures and pleasures. The poems extend parts of her narrative as a daughter, mother, wife, lover, friend, and poet of conscience that will be familiar from earlier collections, each episode and memory burnished by the wisdom and grace and humor of looking back. In such poems as "Ode to My Sister," "Ode of Broken Loyalty," "Ode to My Whiteness," "Blow Job Ode," and "Ode to the Last Thirty-Eight Trees in New York City Visible from This Window," Olds treats us to an intimate examination that, like all her work, is universal, by turns searing and charming in its honesty. From the bodily joys and sorrows of childhood to the deaths of those dearest to us, Olds shapes the world in language that is startlingly fresh, profound in its conclusions, and life-giving for the reader.

Hamlet's Mill St. Martin's Paperbacks

Honeyball and Bowers' Textbook on Employment Law is an approach to employment law with strong critical analysis whilst placing it in its wider contexts, in a concise and user-friendly format. Fully updated to take into account the recent significant developments in this area, including the Equality Act 2010, the key topics on most employment law courses are addressed in detail. An extremely clear writing style allows this text to remain accessible and student-focussed, while providing detailed explanations and analysis of the law. The text also includes diagrams and chapter summaries throughout to aid student understanding, while further reading suggestions assist with essaypreparation and research. Setting employment law in context, this book considers both industrial and collective issues as well as examining the increasing role of the EU in UK employment law. A separate chapter on human rights also enables students to understand the role human rights legislation plays in the development of employment law. This book also contains cross referencing to Painter & Holmes' Cases & Materials on Employment Law, ensuring that these two texts continue to complement one another and provide the perfect combination of textbook analysis and the most up-to-date cases and materials. This text is accompanied by a free Online Resource Centre (www.oxfordtextbooks.co.uk/orc/honeyball12e/) which contains updates to the law and useful weblinks.

Since the publication of the second edition of this volume, 3D echocardiography has penetrated the clinical arena and become an indispensable tool for patient care. The previous edition, which was highly commended at the British Medical Book Awards, has

been updated with recent publications and improved images. This third edition has added important new topics such as 3D Printing, Surgical and Transcatheter Management, Artificial Valves, and Infective Endocarditis. The book begins by describing the principles of 3D echocardiography, then proceeds to discuss its application to the imaging of • Left and Right Ventricle, Stress Echocardiography • Left Atrium, Hypertrophic Cardiomyopathy • Mitral Regurgitation with Surgical and Nonsurgical Procedures • Mitral Stenosis and Percutaneous Mitral Valvuloplasty • Aortic Stenosis with TAVI / TAVR • Aortic and Tricuspid Regurgitation • Adult Congenital Heart Disease, Aorta • Speckle Tracking, Cardiac Masses, Atrial Fibrillation KEY FEATURES • One-click view of high-resolution 3D/2D images and movies in a supplemental eBook • In-depth clinical experiences of the use of 3D/2D echo by world experts • Latest findings to demonstrate clinical values of 3D over 2D echo

A SECRET SORROW Walter de Gruyter GmbH & Co KG

This reference book provides a comprehensive insight into today's diesel injection systems and electronic control. It focuses on minimizing emissions and exhaust-gas treatment. Innovations by Bosch in the field of diesel-injection technology have made a significant contribution to the diesel boom. Calls for lower fuel consumption, reduced exhaust-gas emissions and quiet engines are making greater demands on the engine and fuel-injection systems.

She's the one woman I'd give anything to forget--and now I'm stuck living with her. I'm making a fresh start in Lake Tahoe, until my stubborn sister decides to move Mira into our cabin. I'll be damned if I move out on Mira's account. Nothing has changed in the years since I last saw Mira. Her tempting body and smart mouth taunt me daily. The only hope I have at keeping my sanity is the knowledge that Mira is hiding something. Sooner or later I'll discover her secret, and knowing her, it'll be damning. But first, I have to ignore the urge to kiss and touch and make Mira mine again. --EXCERPT-- I grab her waist, guiding her back against the shelves. She kisses my cheekbone, nibbles my earlobe. "We can't do this here." That nibble shoots straight to my groin. "I beg to differ. I think we can manage." Once the walls come down, emotions run hot.
