### BRUNO KARTER

**King of Dinosaurs** Harry N. Abrams

My name's Noah Kilmartin. I'm from Ruddock, Ohio, and I'm absolutely, 100% unqualified to save the universe from the slaving demonic hordes of the super evil bitch queen Lilith. Too bad nobody asked my opinion. All I've got to do is pass five lethal trials that'll prove I'm the universe's last chance at salvation. To do so I'll have to lean hard on those three years of Okinawan jiu-jitsu classes I took in highschool, learn to wield my new magic sword, and oh yeah - bond with five companions whose job it'll be to keep me alive in the process. Piece of cake. Right? Warning and minor spoilers: "The Five Trials" is an 18+ book intended for mature readers. It contains copious amounts of graphic sex, medieval violence, and dark themes.

Epic adventures, sexy ladies, and awesome Dinosaurs! Nate is the hardworking CEO of SouthernCool, an AC company in Florida. After years of toiling to get rich, he finally takes a well-deserved vacation to Australia. A chance encounter ties him to a gorgeous gal named Senna. Right as things between the two are heating up on the Great Barrier Reef, pesky aliens intervene. Humanity is doomed, they tell him, destined to become extinct in

the not-too-distant future. Nate and Senna are forced to compete for a spot on a human preserve. The competition turns out to be similar to a Real Time Strategy (RTS) 4x game. That means, in order to score points, you have to eXpand your empire, eXterminate your foes, and eXplore & eXploit your environment. Warning: contains nontraditional relationships, adult interactions that would steam up the windows of an old pickup truck, and violent action. 18+ recommended. Note: This book includes interior art by FIFTEAN - images are SFW and PG13.

**The Yucky Duck Rescue** Simon and Schuster

[Spoiler for the faint hearted at the bottom of the blurb. Please read all the way through.]Before world war two could reach its conclusion, the world suffered what could only be defined as a cataclysm.Now, Yosemite city stands as the gateway between two worlds. The empire of humanity to the west, and the wild wastes to the east.Standing at the helm for Yosemite is Vince, a Ranger turned city state ruler. Supporting him in his endeavors is his inner circle.Vince has begun to maneuver through the intricacies of ruling. At the same time he must balance his expanding foundation and fend off external threats. Thankfully, every single citizen of Yosemite is united to the cause. To make their home, permanent. To dig out their place in the world and make a stand.Things are starting to spiral out of control. Almost as quickly as he can put it all back together something else falls apart.And with Yosemite rapidly rising into prominence, Vince finds that it really means just putting a bulls-eye on your back.Warning: This novel contains adult themes and moral ambiguities. The main character is written as a real person in an apocalypse, and will not make choices that line up with society and cultural norms.This story contains a harem and is an Adult Fantasy novel.

Control dinosaurs. Tame women. Rule the world. Victor and his tribe of beautiful women prepare to leave their fort and journey to their new base, but as usual with Dinosaurland, things never go according to plan. Now Victor must protect all of his tribe without the aid of walls, and an old enemy gathers an army to give chase. Victor will have to use every power at his disposal to protect his women, and the journey will uncover new secrets of this strange world.

On their mission to find only the most exotic ingredients for top-notch dishes, Rutabaga and his pet cooking pot, Pot, somehow manage to get themselves into a series of pickles. Amid the giant killer spiders, a desperate acting troupe, a nefarious thief, and a horde of toxic gubblins (nasty, goblin-like creatures) who threaten to take over the kingdom of Evanore, how is Rutabaga supposed to find any time to cook? Filled with the first volume's same brand of humor and high jinks, this installment takes readers to new locations in the fantastical world Eric Colossal has created and showcases more out-of-this-world platters that "Ru" brings to life. As in the first book, in the back are three safe, easy-to-make recipes for all ages.

Join the young hero Phoenix as she seeks the enchanted golden apple to save her brother An unofficial Minecraft graphic novel for kids The first of six books in a series continued by Megan Miller and Cara J. Stevens Phoenix longs to see the world outside of her village. One day, she risks a trip over the town's wall to see the dark forest. Her quick adventure releases a monster that turns her brother into a zombie! It's up to Phoenix to save him by leaving her village and finding the enchanted golden apple. This graphic novel for kids is followed by other Minecraft graphic novels, including *Revenge of the Zombie Monks*, *Saving Xenos*, *Chasing Herobrine*, *The Ender Eye Prophecy*, and *Battle for the Dragon's Temple*. They are easy graphic novels and are sure to be enjoyed by all who love Minecraft and stories filled with adventure, courage, and action. Quest for the Golden Apple is especially ideal for those who aren't inclined to read but love Minecraft. This graphic novel is a quick and engaging read for ages 9-12 with more than 750 pictures. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. In particular, this adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

First in the USA-Today bestselling Leigh Koslow Mystery Series! "A funny, fast-paced, clever, and unusual mystery that will have readers clamoring for more. Sheer delight." --Carolyn Hart The truth about what happened in 1949 went to Paul Fischer's grave... Too bad his body didn't! Advertising copywriter Leigh Koslow doesn't pack heat -- just a few extra pounds. And she doesn't go looking for trouble. When she moved into her cousin Cara's refurbished Victorian house, she wasn't planning on discovering a corpse -- certainly not one that had been embalmed ten years before. But as anyone in the small Pittsburgh borough of Avalon could tell her, her cousin's house has a history attached. A history dating back to two mysterious deaths in the summer of 1949. Someone wants Leigh and Cara out of the house -- someone who has something to hide. But that someone doesn't know Leigh's impetuous cousin, and when Cara digs her heels in, Leigh looks to her old college chum, local policewoman Maura Polanski, for help. But the answers the trio find only point to more questions. Were the scandalous deaths of fifty years ago really an accident and a suicide? Or were they murder? The nearer the women get to the truth, the more desperate someone becomes. Because some secrets are better off kept. Especially when they hit close to home! "A thoroughly delightful debut. Bright, breezy, and witty. I couldn't put it down." --Tamar Myers Originally published in mass market paperback by NAL/Penguin, Putnam, Inc. in 1999.
