Carnage Sapphire Knight
In the tradition of *The Wire*, the harrowing story of the cinematic transformation of Miami, one of America's most bustling cities—rife with a drug epidemic, a burgeoning refugee crisis, and police brutality—from journalist and award-

winning author Nicholas Griffin Miami, Florida, famed for its blue skies and sandy beaches, is one of the world's most popular vacation destinations, with nearly twenty-three million tourists visiting annually. But few people have any idea how this unofficial capital of Latin America came to be. *The Year of*

Dangerous Days is a fascinating chronicle of a pivotal but forgotten year in American history. With a cast that includes iconic characters such as Jimmy Carter, Fidel Castro, and Janet Reno, this slice of history is brought to life through intertwining personal stories. At the core, there's Edna Buchanan, a reporter for

the Miami Herald who breaks the story on the wrongful murder of a black man and the shocking police cover-up; Captain Marshall Frank, the hardboiled homicide detective tasked with investigating the murder; and Mayor Maurice Ferré, the charismatic politician who watches the case, and the city, fall apart. On a roller coaster of national politics and international diplomacy, these three figures cross paths as their city explodes in one of the worst race riots in American history as more

than 120,000 Cuban refugees land south of Miami, and as drug cartels flood the city with cocaine and infiltrate all levels of law enforcement. In a battle of wills, Buchanan has to keep up with the 150 percent murder rate increase; Captain Frank has to scrub and rebuild his homicide bureau; and Mayor Ferré must find a way to reconstruct his smoldering city. Against all odds, they persevere, and a stronger, more vibrant Miami begins to emerge. But the foundation of this new

Miami—partially built on corruption and drug money—will have severe ramifications for the rest of the country. Deeply researched and covering many timely issues including police brutality, immigration, and the drug crisis, *The Year of Dangerous Days* is both a clarion call and a re-creation story of one of America's most iconic cities.

The definitive account of America's conflict with Islamic fundamentalism and a searing exploration of its human costs—an instant classic of war reporting from the Pulitzer Prize winning journalist. Through the eyes of Dexter Filkins, a foreign correspondent for the New York Times, we witness the rise of the Taliban in the 1990s, the aftermath of the attack on New York on September 11th, and the American wars in Afghanistan and Iraq. Filkins is the only American journalist to

have reported on all these events, and his experiences are conveyed in a riveting narrative filled with unforgettable characters and astonishing scenes. Brilliant and fearless, *The Forever War* is not just about America's wars after 9/11, but about the nature of war itself. **Reign of Terror** Bantam A Smithsonian Magazine Best History Book of 2018 The unknown history of two ideas crucial to the struggle over what America stands for In *Behold, America*, Sarah

Churchwell offers a surprising account of twentieth-century Americans' fierce battle for the nation's soul. It follows the stories of two phrases--the "American dream" and "America First"--that once embodied opposing visions for America. Starting as a Republican motto before becoming a hugely influential isolationist slogan during World War I, America First was always closely linked with authoritarianism and white supremacy. The American dream,

meanwhile, initially represented a broad vision of democratic and economic equality. Churchwell traces these notions through the 1920s boom, the Depression, and the rise of fascism at home and abroad, laying bare the persistent appeal of demagoguery in America and showing us how it was resisted. At a time when many ask what America's future holds, Behold, America is a revelatory, unvarnished portrait of where we have been.

Black, White & Blood

Basic Books
 Santa's suit isn't the only thing that will be red this Christmas season.. - Natalia- Being a dancer in the New York Ballet might be prestigious, but it doesn't guarantee financial stability. Not only am I responsible for myself, but I'm trying to pay off my parents' debt. And I need their money now. Thankfully, a fellow dancer tips me off to a money-making opportunity of mass proportions. The only downfall is it's a Gentlemen's club- owned

by Thomas De Santi, New York's richest and most notorious mobster. Money talks, though. At least until I catch Thomas' eye and get a lot more than I bargained for. Christmas is supposed to be a time of good cheer, but a Mob Christmas also comes with love, lust, secrets, blood, and murder- and now, I can't tell who I am anymore or where I'm even trying to go. - Thomas- Running the New York mob-scene gives me an abundance of things- especially women. That's why I rarely fool around

with the same one twice. I certainly don't waste my time with innocent women traipsing through the elites of the city, either. Until Natalia dances at my club to make money. She's dedicated to two things- her parents and the ballet company... and doesn't want anything to do with me. Lucky for her, I'm a man of many talents, and I always get what I want... which is her. Just when I think I'm making progress with the strong-headed little siren, my enemies infiltrate the theater and put my

woman directly in the line of fire. Now, they've forced my hand, and I have no choice but to bring Natalia to my home. It's the only way to keep her safe. I don't care how much money her parents owe; they'll have to take my life before they get another shot at her, and believe me- I can make Krampus look like a cake-walk this holiday season if they want.

The Battle of Cedar Mountain, August 9, 1862
Createspace Independent Publishing Platform
A thought-provoking and

penetrating account of the post-Cold war follies and delusions that culminated in the age of Donald Trump from the bestselling author of *The Limits of Power*. When the Cold War ended with the fall of the Berlin Wall, the Washington establishment felt it had prevailed in a world-historical struggle. Our side had won, a verdict that was both decisive and irreversible. For the world's "indispensable nation," its "sole superpower," the future looked very bright. History, having brought

the United States to the very summit of power and prestige, had validated American-style liberal democratic capitalism as universally applicable. In the decades to come, Americans would put that claim to the test. They would embrace the promise of globalization as a source of unprecedented wealth while embarking on wide-ranging military campaigns to suppress disorder and enforce American values abroad, confident in the ability of U.S. forces to defeat any

foe. Meanwhile, they placed all their bets on the White House to deliver on the promise of their Cold War triumph: unequaled prosperity, lasting peace, and absolute freedom. In *The Age of Illusions*, bestselling author Andrew Bacevich takes us from that moment of seemingly ultimate victory to the age of Trump, telling an epic tale of folly and delusion. Writing with his usual eloquence and vast knowledge, he explains how, within a quarter of a century, the United States

ended up with gaping inequality, permanent war, moral confusion, and an increasingly angry and alienated population, as well, of course, as the strangest president in American history. Deadpool Carnage
The Story of Me
CAS They call me Ghost for a reason. Silent and in the shadows, I don't make my move until I am absolutely sure of everything. Four years ago I was sure about Jenna. My best friend's kid sister had grown up into a spitfire I couldn't resist.

One night we stopped resisting... We promised we'd keep it a secret. It was a one-time mistake, but we'd put it behind us. Jenna left but I kept my word. Jenna tried to get out of our corrupt town, but it pulled her back in again. Now she needs help. She needs protection. I'll do all of that for her, if she'll just shut the hell up and let me. She can even keep all of her secrets, except for one... JENNA The Lords of Carnage MC has haunted me from the moment I was born. No matter how

much I try to get away, they are there -- waiting to pull me back into the life that stole my father, my mother and then my brother from me. The ghosts of my past keep rising from the dead. Now the past is stirring again and all I want to do is run away. I'm back in the world I fled, and the secrets and lies of my whole family are about to be laid bare. But it's not just me anymore. I've got my little boy to look out for, too. I'm his only family. And his father has no idea he exists. I swore I

would never go back to the MC. I swore I would never make the same mistakes again. But making mistakes with Casper Watkins is too hard to resist...

Lords of Carnage Mc

Oxford University Press

How did the party of Lincoln become the party of Trump? From an acclaimed political reporter for The New York Times comes the definitive story of the mutiny that shattered American politics. "A bracing account of how the party of Lincoln and

Reagan was hijacked by gadflies and grifters who reshaped their movement into becoming an anti-democratic cancer that attacked the U.S. Capitol.”—Joe Scarborough
 Jeremy W. Peters’s epic narrative chronicles the fracturing of the Republican Party. Insurgency is a fantasia-like story of a party establishment that believed it could control the dark energy it helped foment—right up until it suddenly couldn’t. How, Peters asks, did conservative values that

Republicans claimed to cherish, like small government, fiscal responsibility, and morality in public service, get completely eroded as an unshakable faith in Donald Trump grew to define the party? The answer is a tale traced across three decades—with new reporting and firsthand accounts from the people who were there—of populist uprisings that destabilized the party. The signs of conflict were plainly evident for anyone who cared to look. After

Barack Obama’s election convinced many Republicans that they faced an existential demographics crossroads, many believed the only way to save the party was to create a more inclusive and diverse coalition. But party leaders underestimated the energy and popular appeal of those who would pull the party in the opposite direction. They failed to see how the right-wing media they hailed as truth-telling was warping the reality in which their voters lived.

And they did not understand the complicated moral framework by which many conservatives would view Trump, leading evangelicals and one-issue voters to shed Republican orthodoxy if it delivered a Supreme Court that would undo *Roe v. Wade*. In this sweeping history, Peters details key junctures and episodes to unfurl the story of a revolution from within. Its architects had little interest in the America of the new century but a deep

understanding of the iron will of a shrinking minority. With Trump as their polestar, their gamble paid greater dividends than they'd ever imagined, extending the life of far-right conservatism in United States domestic policy into the next half century.

**An Enemies to Lovers
Mafia Christmas
Romance** Vintage

"An impressive combination of diligence and verve, deploying Ackerman's deep stores of knowledge as a national security journalist

to full effect. The result is a narrative of the last 20 years that is upsetting, discerning and brilliantly argued." —The New York Times "One of the most illuminating books to come out of the Trump era." —New York Magazine An examination of the profound impact that the War on Terror had in pushing American politics and society in an authoritarian direction For an entire generation, at home and abroad, the United States has waged an endless conflict known as the War on Terror. In

addition to multiple ground wars, it has pioneered drone strikes and industrial-scale digital surveillance, as well as detaining people indefinitely and torturing them. These conflicts have yielded neither peace nor victory, but they have transformed America. What began as the persecution of Muslims and immigrants has become a normalized, paranoid feature of American politics and security, expanding the possibilities for applying similar or worse measures

against other targets at home. A politically divided country turned the War on Terror into a cultural and then tribal struggle, first on the ideological fringes and ultimately expanding to conquer the Republican Party, often with the timid acquiescence of the Democratic Party. Today's nativist resurgence walked through a door opened by the 9/11 era. Reign of Terror will show how these policies created a foundation for American authoritarianism and, though it is not a book about Donald

Trump, it will provide a critical explanation of his rise to power and the sources of his political strength. It will show that Barack Obama squandered an opportunity to dismantle the War on Terror after killing Osama bin Laden. That mistake turns out to have been portentous. By the end of his tenure, the war metastasized into a broader and bitter culture struggle in search of a demagogue like Trump to lead it. A union of journalism and intellectual history, Reign of Terror

will be a pathbreaking and definitive book with the power to transform how America understands its national security policies and their catastrophic impact on its civic life.

A Novel Createspace Independent Publishing Platform

CarnageWhispers From the BayouBook 1Raised by a father who curses the day she was born, Carolena finds herself in the swamps of south Louisiana under the guise of overseeing her father's investments. In truth, she is making every attempt

to avoid forced marriage to any of the men he would have her shipped off to. She's always believed that her husband would love her, would give his very life just to hold her; not be a man who would marry her to claim her father's wealth. When she arrives in the deep-south, she catches the eye of a local backwoods family of brothers. The eldest, Bobby, decides that he is deserving of a step-up in life, takes her against her will to his hovel of a home at the edge of the

swamps to be shared between himself and his brothers. Carolena -- not the shrinking flower they think her to be, flees into the deepest, darkest, wildest portion of the swamps in an effort to escape the brothers and their plans for her. Death at the hands of the creatures in these wetlands is a better option, in her mind. Little does she know, she's also caught the eye of the most dangerous creature there, one of legend -- of nightmares. He's watching her every move,

admiring her bravery -- and he's decided he's keeping her. Carnage is a Gargoyle. He's also volatile, dangerous, unpredictable, and lonely. One evening minding his own business at the edge of the sanctuary he calls home, he spies a female. A human female, and she's running headlong into his swamps, with no regard for her own safety. Then he sees the reason; three men, and they're hot on her trail, torches in hand, hell bent on catching her before she can get away. He watches

as they get closer and closer to her, easily following her trail. Carnage makes a snap decision that changes both their lives forever; he drops out of a tree right behind her, slaps one clawed hand over her mouth to keep her from screaming, wraps her in his huge arms and goes right back to the treetops. He shelters her while the men traverse the ground below, unable to determine why her trail disappeared. Carnage admires this little female - she was brave to run

into the swamps alone. There are many creatures lying in wait for just such a meal. But she no longer has to worry about that, because now she's his. He only hopes that she doesn't fear him too much once she gets a good look at his blue-grey skin, his fangs and his horns. Because regardless of what she thinks, or the rules of his community -- he's not giving her up.

"If she sleeps in my bed

every night, she'll end up
falling in love with
me...and that'll be
awkward as hell when I
have to kill her." SLOAN
He's my twisted
nightmare. My blood
bound enemy. My ruthless
desire. Our fates were
spun the night he tried to
kill me and now he's back
to destroy me for good.
It's always been us verses
them. The Calabresis
against the Romeros. This
city is ours but they
vowed to take it from us.
And when they couldn't,
they took me instead.
Now I'm chained by the

cruellest of them all; the
man who wrapped his
hands around my throat
and tried to squeeze the
life from me all those
years ago. But I won't fall
prey to him. I'm older,
fiercer and I've grown
claws of my own. Rocco
Romero thinks he can
keep me captive, but he's
about to regret bringing a
sleeping tiger into his
home. ROCCO She's my
greatest failure. The name
that always haunts me.
My dirty little secret. And
when I had the chance to
kidnap her from her
wedding, nothing on

God's green earth could
stop me. She's mine. I
could take her life, her
body or her heart if I
wanted to. But my
brothers refuse to believe
me. So when they bet I
can't make the little
principessa fall in love
with me, of course I step
up to the challenge. And
when she's down on her
knees, pouring her heart
out, I'll crush it in my fist.
I'm lining the Calabresis
up like dominoes. And
she'll be the first to fall.

#1 NEW YORK TIMES BESTSELLER • WINNER OF THE MAN BOOKER PRIZE

The “devastatingly moving” (People) first

novel from the author of Tenth of December: a moving and original father-son story featuring none other than Abraham Lincoln, as well as an unforgettable cast of supporting characters, living and dead, historical and invented Named One of Paste's Best Novels of the Decade • Named One of the Ten Best Books of the Year by The Washington Post, USA Today, and Maureen Corrigan, NPR • One of Time's Ten Best Novels of the Year • A New York Times Notable Book • One

of O: The Oprah Magazine's Best Books of the Year February 1862. The Civil War is less than one year old. The fighting has begun in earnest, and the nation has begun to realize it is in for a long, bloody struggle. Meanwhile, President Lincoln's beloved eleven-year-old son, Willie, lies upstairs in the White House, gravely ill. In a matter of days, despite predictions of a recovery, Willie dies and is laid to rest in a Georgetown cemetery. "My poor boy, he was too good for this

earth," the president says at the time. "God has called him home." Newspapers report that a grief-stricken Lincoln returns, alone, to the crypt several times to hold his boy's body. From that seed of historical truth, George Saunders spins an unforgettable story of familial love and loss that breaks free of its realistic, historical framework into a supernatural realm both hilarious and terrifying. Willie Lincoln finds himself in a strange purgatory where ghosts mingle,

gripe, commiserate, quarrel, and enact bizarre acts of penance. Within this transitional state—called, in the Tibetan tradition, the bardo—a monumental struggle erupts over young Willie’s soul. Lincoln in the Bardo is an astonishing feat of imagination and a bold step forward from one of the most important and influential writers of his generation. Formally daring, generous in spirit, deeply concerned with matters of the heart, it is a testament to fiction’s

ability to speak honestly and powerfully to the things that really matter to us. Saunders has invented a thrilling new form that deploys a kaleidoscopic, theatrical panorama of voices to ask a timeless, profound question: How do we live and love when we know that everything we love must end? “A luminous feat of generosity and humanism.”—Colson Whitehead, *The New York Times Book Review* “A masterpiece.”—Zadie Smith

 fortune teller told me that
 my one true love would
 die young and leave me
 all alone... When Beatrice
 Jordan meets the
 unpredictable Jacob
 Grace, the two wild souls
 become instant allies.
 Together they discover an
 escape in each other's
 creativity and insecurities,

while running from secrets they cannot seem to shake — or a fate that could throw them to the ground . . . This 15th Anniversary reissue of Tiffanie DeBartolo's classic love story introduces a new audience of dreamers to a quintessentially real and raw vision of spirit, and inspires everyone to live — and love — as vividly as possible. "This generation's Love Story." — Kirkus "If Holden Caulfield were a twenty-seven-year-old woman living in LA, this is the

book he'd write, or read. It's very fast and very funny, and at its core it's that rarest of things - a truly convincing love story." — Dave Eggers "With wit and humor, the author brings these characters and their quirky, artsy friends alive. Bottom Line: You'll dig it" — People Riots, Refugees, and Cocaine in Miami 1980 Univ. of Queensland Press A new account of the birth of the West through its birthplace--Renaissance Italy The period between 1492--resonant for a

number of reasons--and 1571, when the Ottoman navy was defeated in the Battle of Lepanto, embraces what we know as the Renaissance, one of the most dynamic and creatively explosive epochs in world history. Here is the period that gave rise to so many great artists and figures, and which by its connection to its classical heritage enabled a redefinition, even reinvention, of human potential. It was a moment both of violent struggle and great

achievement, of Michelangelo and da Vinci as well as the Borgias and Machiavelli. At the hub of this cultural and intellectual ferment was Italy. The Beauty and the Terror offers a vibrant history of Renaissance

Italy and its crucial role in the emergence of the Western world. Drawing on a rich range of sources--letters, interrogation records, maps, artworks, and inventories--Catherine Fletcher explores both the explosion of artistic

expression and years of bloody conflict between Spain and France, between Catholic and Protestant, between Christian and Muslim; in doing so, she presents a new way of witnessing the birth of the West.
