God's Hidden Covenant Revealed" is an amazing revelation of a Personal Everlasting Covenant of Promise which God made with the men of Israel, little children, women, and men who were sojourners. Mankind's Personal Covenant with God is also connected to God's Testimony written in two stone tablets. Yes, our Living God has a written TESTIMONY. God wrote two laws between the Second and Third Commandments with his finger that Christians do not know or teach their children. If you do not know and teach this spiritual bible truth, your children may be cursed according to Deuteronomy 5:9b-10. Also this same scripture tells you that if you do teach them, they and their generations will be blessed forever. This Personal Covenant is not the Law of Moses but a covenant that one could only enter by faith, not by the bloodline of a person's father. (Deut 30:8-15 and

Romans Chapter Ten. Moses was told by God to teach this Covenant in the land of Moab after the 40 years the Israelite had spent in the desert. These people were still under the Law of Moses when God's Personal Covenant promised them prosperity in everything they would attempt if they would keep all the words of this personal covenant. It was this Personal covenant that blessed Rahab who was a Moabite prostitute in City of Jericho and David who killed the giant and later became king. The Book of Ruth is about God's favor on Ruth's life because she was in this Personal Covenant. God showed this Covenant was everlasting by Moses writing "it was with everyone standing here today and everyone who are not here today." This goes back through the grave and into the future. (Deuteronomy 29:9-15) This is Spiritual knowledge for the Christians whose church leaders have made the Commandments of God of little value. Therefore, they do not understand or teach God's Personal Testimony He wrote in two

tablets of stone. Exd 31:18 He gave unto Moses, when he had made an end of communing with him upon mount Sinai, two tables of God's Testimony, tables of stone, written with the finger of God. Jesus' doctrine ties this verse to Hebrew 9:14-18. Most Christian doctrine fails at this point because Jesus was the Testator and His blood sealed both God's Testimony and His New Covenant of Promise. Although God had previously sealed the Law of Moses with a blood sacrifice, Exd 24:1-11. God sealed His Personal Covenant with His oath until such time as Jesus, sealed this Everlasting Personal Covenant of Promise with His own blood. Although God established this personal covenant with mankind through Moses, Jesus added better promises and God's Testament by His crucifixion. The revelation of the importance of this Personal Covenant came to Ben and Ann when they realized that these two Spiritual Laws written between the Second and Third Commandments in God's Testimony were connected to our eternal life. God was teaching them through the Holy Spirit that God did not have two Everlasting Personal Covenants with mankind. This book will help remove the Spiritual wall between Jews and Christians. Hosea 4:6--My people are destroyed for lack of knowledge. Because you have rejected [God's] knowledge, I also will reject you from being a priest for Me; because you have forgotten the law of your God, I will forget your children. The Spiritual Laws that God wrote between the Second and Third Commandments are laws that many people have forgotten or misunderstood. This lack of knowledge as spoken by God has caused many to be forgotten by God. We must learn and teach these two laws that modern Christians have forgotten. But, this is not the end. God has promised that if you love God and keep His Ten Commandments, you and your children will be blessed to a thousand generations. God wrote His Testimony for our inheritance which was sealed by the Blood of Jesus. He wrote this with His finger in stone describing a free gift, His Grace and Mercy to a thousand generation which is forever.

Hidden for over five hundred years, the treasure reaches back into biblical times and contains truths that, if rediscovered, would unravel the fabric of the Christian era. Betrayals and lies attempts to derail his quest as the grave of an ancient Knight surrenders the encrypted keys setting the stage for deception, murder and the greatest archeological find of all times.

One of the enduring problems in biblical studies is how the Bible came to be written. Clearly, scribes were involved. But our knowledge of scribal training in ancient Israel is limited. William Schniedewind explores the unexpected cache of inscriptions discovered at a remote, Iron Age military post called Kuntillet 'Ajrud to assess the question of how scribes might have been taught to write. Here, far from such urban centers as Jerusalem or Samaria, plaster walls and storage pithoi were littered with inscriptions. Apart from the sensational nature of some of the contents—perhaps suggesting Yahweh had a consort—these inscriptions also reflect actual writing practices among soldiers stationed near the frontier. What emerges is a very different picture of how writing might have been taught, as opposed to the standard view of scribal schools in the main population centers. *The Milk of the Word* Random House Books for Young Readers The Writing of God presents proof of the seminal event of the Old Testament, when God handed down to Moses the word and the "writing of God" (Exodus 32:16), known as the Sinai Covenant. It presents never before seen new evidence of the Exodus, inscriptions from Sinai. The location of the real Mount Sinai has been long debated. Scripture states it to be in Midian in Arabia where researchers have found stunning archeological evidence of the events of the Exodus, including the inscriptions from the base of Mount Sinai. The translation of these inscriptions reveal an incredible secret of the Bible. The "writing of God" written by "the finger of God" (Exodus 31:18) is the first alphabetic writing! The evidence taken from the latest linguistic and archaeological science reveals the origin of the alphabet, the context of writing in the ancient world of 2nd millennium BC, and the importance of the Old Testament as an historically accurate source. The accumulation of all the evidence of the Exodus from scriptural, historical, linguistic and archaeological sources is detailed in The Writing of God. The Sinai Covenant is an educational covenant calling believers to read, write, and "diligently" educate their children. The Writing of God documents the 'call from Sinai' - the spiritual clarion for today's home-schoolers.

God added a story of a woman taken in adultery (John 7:53-8:12) into the Gospel according to St. John after it was first distributed; the content of this story and its late insertion signals that Jesus, as portrayed by John, did more than perform miracles and deliver discourses. "Ether 4:16 and Jesus Christ," an original Bible study, uncovers a simple, hidden message. "Ether 4:16" reveals that Jesus compared the woman's adultery to the story in the Old Testament of the Israelites' idolatry to a golden calf (Exod. 32:1-33:3). "Ether 4:16" shows that understanding St. John's Gospel comes after applying the key, linking verse John 1:17, "For the Law was given by Moses, but grace and truth came by Jesus Christ" (King James Version) all the way through the Gospel. The Gospel uses the principles in this verse to reexamine stories from the books of Moses. Does Jesus compare the adultery of the woman with the idolatry of the people of Moses? By writing the words on the ground with his finger, does Jesus recall the words written by the finger of God, the testimony—engraved on stone tables—that Moses threw down and broke in anger when he saw the calf and the dancing people? Might Jesus, in his command for

the scribes and Pharisees to stone the woman, be alluding to Moses' command to the sons of Levi to slay their brothers, companions, and neighbours? Examination of the book reveals many connections—similar or contrasting—between St. John's Gospel and the books of Moses. In "Ether 4:16 and Jesus Christ," the author records a teaching story or command from Moses' ministry on the left side of the page, recounts the parallel story or discourse from Jesus' ministry on the right, and provides the linking verse at the top of the page. The verse Ether 4:16 refers to the Gospel according to St. John and the Revelation of St. John the Divine unfolded; exposes as spiritual adultery and acting without God's command, the books, sermons, Bible lessons, etc., that he has not caused to be written; shows that the Word of God is flawless, not requiring endless notes, cross references, and comments; reaffirms that the authority to teach the Gospel and the difference between good and evil belongs to the Teacher, the Spirit; and admonishes that those outside the Church of Jesus Christ of Latter-day Saints, having rejected Jehovah, understand neither the scriptures, nor the power of God. Indeed, the Living God has no need for men to explain the scriptures and the Gospel of Jesus Christ. (The author has no affiliation with the Church of Jesus Christ of Latter-day Saints; indeed, permission to reproduce the scripture Ether 4:16 was denied by the Intellectual Property Division of the Church of Jesus Christ of Latter-day Saints.) St. John's Gospel is a keystone, but is it also an enigma, requiring extensive clarification? According to John 1:17, this Gospel is composed of parallel and contrasting elements, simply.

Learn about the Egyptian myths and ancient folklore that survive in one of history's most sacred texts, and discover how: -King David's bodyguard, not David, killed Goliath -Noah's Ark did not land on Mount Ararat -Samson did not pull down a Philistine temple -There are at least two versions of the Ten Commandments -The walls of Jericho were destroyed 300 years before Joshua arrived there -Sodom and Gomorrah were mythical cities that never existed -The story of Esther had nothing to do with the Jews of Persia -And much, much more 101 Myths of the Bible provides a new dimension of biblical studies for believers, historians and anyone who has ever wondered about the facts behind the legends. By looking deeper into history, Greenberg shows that the true story makes the Bible more interesting than ever imagined!

Introduction in Exodus 31:18 When He had finished speaking with him upon Mount Sinai, He gave Moses the two tablets of the testimony, tablets of stone, written by the finger of God and in Luke 11:20 But if I drive out demons by the finger of God, then the kingdom of God has come upon you. So the finger of God is divinely powerful spiritual weapon of warfare to liberate me, to rescue me, to save me, to deliver me, to redeem me, to set me free, to untie me from every wickedness of satanic bondage, imprisonment, captivity at all times, to defend me, to keep me, to support me, to protect me, to save me, to guard me, to secure me, to preserve me and to eliminate one hundred and eighty-five thousand of All the Human agents of Satan in the camp of all my adversaries by the power in the blood of the Lord Jesus Christ The finger of God can remove all the diabolical magicians of the wicked man and woman of all the countries of the planet earth concerning me for satan, his cohorts, his angels and demons can never duplicate the miracles of the finger of God in the life me or in the Life of any person that genuinely put trust in the Lord for safety as the power of God and the kingdom of God has come upon me forever and it is written Psalms 146:1 Praise the Lord, Praise the Lord, my soul.

Fresh, funny, and fearless, The Middle Finger Project is a point-by-point primer on how to get unstuck, slay imposter syndrome, trust in your own worth and ability, and become a strong, capable, wonderful, weird, brilliant, ballsy, unfuckwithable YOU. "Don't worry, this isn't a book about God, nor is it a book about Ryan Gosling (second in command). But it is a book about authority and becoming your own." --Ash Ambirge After a string of dead-end jobs and a death in the family, Ash Ambirge was down to her last \$26 and sleeping in a Kmart parking lot when she faced the truth: No one was coming to her rescue. It was up to her to appoint herself. That night led to what eventually became a six-figure freelance career as a sought-after marketing and copywriting consultant, all while sipping coffee from her front porch in Costa Rica. She then launched The Middle Finger Project, a blog and online course hub, which has provided tens of thousands of young "women who disobey" with the tools and mindset to give everyone else's expectations the finger and get on your own path to happiness, wealth, independence, and adventure. In her first book, Ash draws on her unconventional personal story to offer a fun, bracing, and occasionally potty-mouthed manifesto for the transformative power of radical self-reliance. Employing the signature wit and wordsmithing she's used to build an avid following, she offers paradigm-shifting advice along the lines of: • The best feeling in the world is knowing who you are and what you're capable of doing. • Life circumstances are not life sentences. If a Scranton girl who grew up in a trailer park can make it, so can you. • What you believe about yourself will either murder your chances or save your life. So why not believe something good? • You don't need a high-ranking job title to be authorized to contribute. You just need to contribute. • Be your own authority. Authority only works as long as you trust that someone smarter than you is making the rules. • The way you become a force is by being the most radically real version of yourself that you can be. • You only have 12 fucks a day to give, so use them wisely.

"With every advance in knowledge, scholars of the Middle Ages, much like scholars of the 21st century, were at a loss to explain the gap between religion and the science and philosophy of the day. In this 12th-century volume, Maimonides bridges that gap. As a result, *The Guide for the Perplexed*, widely considered Maimonides most universal work, influenced not only Jewish scholarship but Moslem and Christian ideas as well. Intended especially for the serious student of Judaism or medieval scholarship, this volume, here in its complete and unabridged form, is a reissue of what has long been recognized as one of the most important works of religious philosophy ever written. Spanish Jewish philosopher and Talmudic scholar MOSES MAIMONIDES (1135-1204) was the leading intellectual figure of medieval Judaism. In addition to his works on religious philosophy, he is the author of numerous writings on law,

medicine, mathematics, and logic."

Let me offer an early disclaimer. I know exactly who the Founders were. I know exactly the crimes against humanity that they were responsible for and those they inherited and were not responsible for. I do not spend time extolling the virtues of Mr. Jefferson, Mr. Adams, Mr. Franklin, and Mr. Madison. Nothing in this work or in my experiment (my life's work) can change the fact or alter the history of the debasement of humanity that preceded the Declaration of Independence (1776), the Constitution (1787), and the Bill of Rights (1791) they were a part of and the obvious fact that the major accomplishment of the Founders' theories about self-government did not apply to African Americans and Native Americans, women, and specifically Black women in their thinking. Still, there exists in their theological imagination infinite hope for their experiment. This work seeks to identify the evidence that shows and suggests that some of them were aware of a grand architectural experiment and design for the nation and its future. Every cracked, broken, and imperfect vessel can be used to bring forward hope. I am a personal witness to this fact of human existence.
